Dear Harrier,

Please can I encourage all of you to support your committee by attending the AGM as detailed in the accompanying announcement. Membership renewals are also due at this time of year. If not included in this mailshot you will receive your renewal details soon. Please can you both complete and return the renewal paperwork promptly when you do receive it so as to ease the workload on the membership secretary.

We had planned to make a draw by ballot for the club's London Marathon places at the AGM. However, the timing does not allow for this as neither has the club road running championship been completed nor do we know how many places we will be allocated. The ballot will be deferred to the club Autumn Social Evening on Friday 12th November.

The 2010/11 Cross-Country Season has largely been finalised and I include the fixture list for that below. Club Championship races are shown in bold. More details are on the club web site.
